Chief FCS1U signage display mount 139.7 cm (55") Black

Model: FCS1U

Manufacturer: CHIEF

EAN: 841872173511

Product Code: 1732845

R5,977

The FCS1U supports both portrait and landscape orientations in a single SKU, with the option to retrofit a second, back-to-back display with the PACFCB accessory. The mount supports large displays with a high weight capacity.

Post-installation pitch alignment keeps the display from tilting without having to over-tighten the cables.

Works well in areas that are hard to support with traditional mounts.
