DELL 540-BBRG network card Internal Ethernet 10000 Mbit/s

Model: MPJ4T

Manufacturer: DELL

EAN: 5704174395256

Product Code: 1732876

R5,248

Highlights

- Offers 10GbE Ethernet
- Support demanding workloads for enterprise, cloud, and telecommunication service providers and data centers

Overview

The Intel X550 Dual Port 10G Base-T Adapter, Low Profile Ethernet is is validated and optimized on Intel® Xeon® processors and is backward Compatible with 1000BASE-T. It has an integrated MAC + 10GBASE-T PHYs, Single-Chip Solution and is designed for Multi-Core Processors: MSI/MSI-X and Direct Cache Access, Flow Director, up to 128 Tx/Rx physical queues per port. It is the best choice for
