Quick-access pockets

The all-new ASUS AP4600 Backpack has over a dozen pockets, specially designed for quick access on the go — so your phone, power bank, water bottle and more are always to hand.

Water-repellent protection and style

ASUS AP4600 Backpack naturally exudes elegance and embraces practicality. Enjoy exquisite detail, like an elegant ASUS logo on puller, and delight in the water-repellent, scratch-resistant polyester exterior — protecting your devices from the elements.

Lightweight, practical and durable

ASUS AP4600 Backpack is slim, lightweight and attractive — and includes a breathable shoulder harness to keep you comfortably cool as you travel.
