Are you in love with your preloved phone? I mean heart-pounding-can’t-live-without-you in love? Then this 2-in-1 protection combo from SAFE. by PanzerGlass® comes to the rescue. The combo features a screen protector made of 60% recycled material and a soft, transparent TPU case made of 100% recycled plastic, keeping your precious phone SAFE. from pocket plunges, dance floor mishaps, selfies gone wrong, and your everyday fumbling, dropping and screen cracking.

No screen protection is worth poor screen performance! That’s why this screen protector comes in Ultra-Wide Fit, meaning it keeps the front surface of your phone SAFE., while providing a full and crystal-clear view of your screen. The tougher-than-tough case is wireless charging compatible (of course!) and shields your phone effectively while giving you full access to all its functions. It even has a sleek, elegant design that makes your phone look great!

Can you feel it? Love is in the air. Love for phones and the planet. It’s the new circle of phone life. When you keep your beloved phone SAFE., you can one day pass it on to another phone lover who will adore it just as much as you do. This is one way of working toward a more sustainable future! Another is to use more sustainable packaging. So, of course, this product comes in a recyclable FSC™-certified box.

Everybody deserves to be SAFE. Without hassle, red tape or unnecessary complexity. This protection combo is so easy to install that you can do it even if you’re all thumbs! Start by applying the screen protection using the enclosed EasyAligner made of 100% recycled plastic. And when you’re done, click on the case. Now you’ll never again fear the sight of your phone tumbling to the ground. This may not happen, but if it does, you’ll regret not having clicked “add to cart”.

Keep your phone SAFE.
