

dbramante1928 re-charge – Power Bank 5K Wireless v2 - Grey

Model: CP05SLBL7254

Manufacturer: DBRAMANTE1928

EAN: 5711428072542

Product Code: 1733123

R1,851

Wirelessly charge your smartphone quickly and safely with the ultra-slim re-charge Power Bank 5K Wireless v2, crafted from 100% recycled plastic. Designed for seamless on-the-go use, it supports Qi, Qi2 and MagSafe compatibility, delivering up to 15W of reliable wireless power. The LED indicator lets you know when it’s time to recharge, and the USB-C output also allows fast wired charging for USB-C compatible devices.

The product information provided is for reference purposes only. Technical specifications, photos, descriptions and prices may change without prior notice. The manufacturer and seller are not responsible for possible data discrepancies or typographical errors. We recommend checking the current information before purchasing.
