hassle, no questions.

Installation is also easy. Just mount the screen protector using the enclosed EasyAligner, apply the camera lens protector, and click on the case. To make it even easier, we've included step-by-step instructions as well as a QR code for quick access to our online how-to video. And once everything is installed, you'll never again fear the sight of your phone tumbling to the ground. This may not happen, but if it does, you'll regret not having clicked "add to cart".
