The eco-protect screen protector is perfect for those who are not ready to give up on tempered glass protection but still want to make a more responsible choice.

For even greater impact reduction - on your phone and the environment - consider our unbreakable and even stronger screen protection solutions made from recycled plastic, eco-shield and eco-shield D3O.

Made from Recycled Tempered Glass

Crafted from 60% recycled tempered glass and 100% recyclable, eco-protect helps to minimise waste and the environmental impact associated with traditional glass screen protectors.

Up to 2x Stronger Than Screen Alone

Offering up to twice the strength of your phone’s original screen, eco-protect ensures durability and resistance against impacts.

Easy Application

Designed for hassle-free application, the eco-protect applicator tool guarantees precise alignment, allowing you to achieve a perfect fit effortlessly.

Flawless Touchscreen Experience

Enjoy a precision touch sensitivity that reacts like your phone’s original screen, delivering a seamless and responsive user experience.
