Model: JVA02-N

Manufacturer: J5CREATE

EAN: 4712795082982

Product Code: 1733250

R3,063

Perfect for live streaming — The JVA02 is a lightweight, stylish and powerful HDMI™ capture card. It consumes very low power, yet can capture 1080p with 60 frames of uncompressed video under USB™ 3.0. It can be broadcast continuously with three mixing modes and Power Delivery 3.0. Connect the JVA02 to your cold shoe adapter on your camera for the perfect combination of ease-of-use and functionality.
