Clean cable management

With QMR's new cable guide feature, retailers are able to tuck away messy cables from view. This allows for a clean and visually-appealing shopping expeience for customers, even when the back of the display is visible.

Powerful, all-in-one solution

SSSP is an all-in-one solution that simplifies installation and maintenance. With Tizen 4.0, businesses can enjoy easy development, reinforced capability with multiple web formats and standards and secured protection.

Samsung Workspace secured by Knox

With security provided by Knox, the displays feature Samsung Workspace which supports wireless cloud service access and control of a PC without needing a physical connection. Samsung Workspace simplifies meeting spaces while also improving security.

WiFi and Bluetooth built-in

Built-in WiFi and Bluetooth allow for more personalized and interactive services as well as simplifying how businesses showcase content. Whether it’s to make networking simpler or enabling interactive beacon technology in-store, QMR series displays help businesses move into the future of retail.
