Product Code: 1733607

R804

Simple extensions

IB-CB005 is a HDMI® socket (female) to HDMI® socket (female) coupler to extend the cable length without loss of the high transmission quality. It ensures optimal transmission of HD signals with the connection of two HDMI® cables. You can easily plug this HDMI® coupler between 2 HDMI® cables. The HDMI® socket is processed in milimeter precision so that your HDMI® cables can fit it perfectly and thus the coupler will never slip.

Enjoying HD

The HDMI® port can provide up to 4K that is a resolution of 3840x2160. It's very common in newer and larger monitors or televisions. As a bonus, HDMI® is able to transfer Audio.

Precise manufacturing
