

Moza Racing mBooster Pedal Set

Model: RS082

Manufacturer: MOZA RACING

EAN: 6973137270834

Product Code: 1734609

R19,107

The MOZA mBooster Active Pedal redefines sim racing with realistic dynamic force feedback and precision control. It delivers unparalleled accuracy and responsiveness and features dual 200KG load cell sensors and a 21-bit high-resolution magnetic encoder. The high-torque density motor and MOZA Pit House software enable one-click customization for throttle, brake, or clutch functions. With adjustable pedal feel, real-time ABS, traction control, engine vibration, and G-force feedback, the mBooster ensures an immersive and true-to-life driving experience. Compatible with CRP2 pedals for enhanced performance and seamless integration with MOZA Racing ecosystems.
