Dahua ARD2251E-W2(868) Wireless External Triple-Tech Detector

Model: ARD2251E-W2(868)

Manufacturer: DAHUA

Product Code: 1735513

R3,083

The **Dahua ARD2251E-W2(868)** is a state-of-the-art **Wireless External Triple-Tech Detector** designed to enhance your security system. This model incorporates advanced **anti-masking detection** and **moving detection** to ensure that unauthorized tampering or movement is effectively monitored. With the ability to install camera modules, it transforms into a **PIR-Cam**, allowing for efficient **video verification** of alarms and suspicious activity.

One notable feature of this device is its **pet immunity** capability, which can effectively distinguish between pets up to **40kg** and **80 cm** in height, minimizing false alarms. Additionally, the **Dahua ARD2251E-W2(868)** supports real-time environmental temperature monitoring, enhancing its versatility as a security solution. With two-way communication and frequency-hopping technology,
