

TP-Link ARCHER NX200-OUTDOOR wireless router 2.5 Gigabit Ethernet Dual-band (2.4 GHz / 5 GHz) 5G White

Model: Archer NX200-Outdoor

Manufacturer: TP-LINK

EAN: 1210002601603

Product Code: 1735666

R8,683

5G AX1800 Wi-Fi 6 Outdoor Router

Maximum 5G download and upload speeds depend on external factors such as the local 5G network coverage, data plan, real-time network capacity, client limitations, and environmental factors. Actual supported frequency bands may vary slightly in different regions due to certification. Maximum wireless signal rates are the physical rates derived from IEEE Standard 802.11 specifications. Actual wireless data throughput and wireless coverage, and number of connected devices are not

guaranteed and will vary as a result of network conditions, client limitations, and environmental factors, including building materials, obstacles, volume and density of traffic, and client location. Actual network speed may be limited by the rate of the product's Ethernet WAN or LAN port, the rate supported by the network cable, Internet service provider factors, and other environmental conditions. This product has an IP66 dustproof and waterproof rating; however, it is not designed for prolonged immersion or exposure to high-pressure water jets. Please install and use it according to the manual to ensure the protective features function properly. TP-Link EasyMesh-Compatible products can network with other devices that use EasyMesh. Failed connections may be due to firmware conflicts of different vendors. The MLO is still being developed on some models and will be supported in subsequent software updates.
