

Lindy HDMI to USB Type C Converter with USB Power

Model: 43423

Manufacturer: LINDY

EAN: 4002888434232

Product Code: 1736489

R1,280

The Lindy HDMI® to USB Type C Converter allows the connection of HDMI® source devices, such as a PC, Blu-ray player or media player to USB Type C equipped monitors, digital signage panels and LFDs (Large Format Displays). More and more displays are using the USB Type C connection, and this cable will allow you to harness the video capabilities from your HDMI® source connection, to deliver astonishing quality to a range of displays such as ultra-thin monitors, portable screens, and touch panels as well as smartboards or portable projectors. Supporting resolutions up to 3840x2160@60Hz, this converter outputs content with superior clarity within innovative workspaces, engaging collaboration environments and educational setups.

For added convenience the converter includes a USB power cable for safe and stable power supply. It is also ideally suited for travelling due to its compact, lightweight form factor and convenient plug & play installation.
