The Neomounts DS45-600BL2 is the perfect choice for those looking for a sturdy and versatile solution for two monitors up to 32" with a weight capacity of 6 kg per screen. This full motion monitor stand offers maximum flexibility thanks to its versatile tilt (90°), rotate (360°), and swivel (180°) technology, enabling you to always find the optimal viewing angle for an ergonomic working posture.

The DS45-600BL2 is designed for a personalized and efficient workspace. The strong construction guarantees optimal stability and sturdiness on any desk. The practical cable management system ensures neat routing of cables, while the 180° lock mechanism prevents the screens from swinging back too far, protecting your wall or separation panel from damage. In addition, the base of this stand provides a convenient slot to place a phone, for an organized and clutter-free desk.

The stand is suitable for screens that meet VESA pattern 75x75 or 100x100 mm. The Easy-release VESA system makes it easy to attach or detach the screens. Installation of the DS45-600BL2 is quick
