Product Code: 1737060

R26,306

The Lanberg rack provides an efficient and versatile storage solution for various IT equipment with its 37 rack units and 19" size. Constructed from high-grade cold rolled steel and tempered glass, it combines durability with an appealing aesthetic. The rack features a glass front door for visibility, solid metal rear door for security, and adequate ventilation with 4 built-in cooling fans to ensure optimal performance of housed devices. With a weight limit of 800 kg, it supports heavy equipment while maintaining stability with additional features including adjustable vertical mounting rails, leveling legs, and wheels with brakes for mobility. This freestanding cabinet is designed to meet various standards including ETSI and IP20, making it suitable for different environments.
