UBIQUITI U7-Mesh Access Point Mesh

Model: U7-MESH

Manufacturer: UBIQUITI NETWORKS

EAN: 8101771673966

Product Code: 1737279

R6,070

The Ubiquiti UniFi 7 Mesh is designed to provide robust wireless connectivity for both indoor and outdoor environments. With a ruggedized design and support for advanced wireless protocols including Wi-Fi 6 and Wi-Fi 7, this device ensures high performance even in challenging conditions. It accommodates over 200 concurrent clients and features 4 spatial streams, making it suitable for medium to large spaces.

Equipped with multiple mounting options and a maximum coverage area of up to 140 m2, the Ubiquiti UniFi 7 Mesh allows for flexible installation choices. Its powerful data transfer rate of 4.3 Gbps provides reliable connectivity for a variety of applications, including demanding networks and multitasking users. The device also integrates features like band steering, guest network support, and advanced radio management, ensuring a seamless and secure user experience.
