

Chieftec CMR-3141SAS drive bay panel Black

Model: CMR-3141SAS

Manufacturer: CHIEFTEC

EAN: 4710713231009

Product Code: 1737530

R2,823

CMR-3141SAS

This SAS / SATA Backplanes as well as the detachable bays, are all exclusively designed and made of SECC Steel that they are especially suited to keeping the HDDs/SSDs cool. The Backplane is Plug & Play compatible and supports hot swap. With an 80mm fan, even the fastest HDDs/SSDs are kept cool. The operating status of each HDD/SSD as well as the power and the activity of the fans are shown in the front of the Backplane by LED's.

The product information provided is for reference purposes only. Technical specifications, photos, descriptions and prices may change without prior notice. The manufacturer and seller are not responsible for possible data discrepancies or typographical errors. We recommend checking the current information before purchasing.
