This unique adapter cable lets you connect almost any laptop or desktop computer to an HDMI® display or projector. It supports the HDMI, DisplayPort™ and Mini DisplayPort output from your computer and video resolutions up to Ultra HD 4K.

This versatile adapter cable is also Thunderbolt™ compatible, when connected directly to a supporting DisplayPort over a Thunderbolt I/O port.

Simple boardroom setups

The product information provided is for reference purposes only. Technical specifications, photos, descriptions and prices may change without prior notice. The manufacturer and seller are not responsible for possible data discrepancies or typographical errors. We recommend checking the current information before purchasing.

This adapter cable is ideal for your boardroom’s HDMI display or projector. You can reduce clutter and eliminate the need for multiple adapters on your boardroom table by providing a single adapter cable that can support a variety of signals.

One adapter for multiple users

The adapter cable supports multiple input signal types, so you’ll be able to accommodate a variety of user needs. Employees and guests can plug in their HDMI, DP or mDP laptops and deliver their presentations using your boardroom’s HDMI display, without having to carry their own adapters.
Astonishing picture quality

This adapter cable ensures you can maintain an astonishing picture quality with four times the resolution of 1080p. The adapter is also backward compatible with lower resolution displays and video sources. With support for high-definition resolutions of 1080p and 720p, you can future-proof your existing setup for 4K video.

USB-powered

The adapter can be powered through the provided Micro-USB cable by connecting the cable from the adapter to a USB port on the user’s laptop or to a USB port on the HDMI display. The user can then connect their laptop to either input on the adapter cable and share their presentations.

The DPMDPHD2HD is backed by a 2-year StarTech.com warranty and free lifetime technical support.
