Durable Construction

The cable boasts an aluminum alloy shell that is wear-resistant, pressure-resistant, and corrosion-resistant, providing excellent protection for the joints.
Equipped with a TPE soft outer cover that is wear-resistant, prevents entanglement, and is anti-interference, making it easy to handle and durable.

Superior Conductivity

Made with enameled copper conductors to guarantee stable signal transmission and a pleasurable sound quality.

Humanized Design

Designed for easy plug and unplug functionality, allowing use without the need to remove the phone case.

Double Reinforcement

Integrated with a PVC connector and one-piece injection molding for added protection and to avoid cable breakage.

Universal Compatibility

Compatible with a wide range of devices, including cellphones, MP3 players, headphones, amplifiers, and stereo systems. Ideal for connecting any equipment with a 3.5mm or 2.5mm jack.

Two-Way Mutual Transmission

Supports two-way mutual transmission between 3.5mm and 2.5mm interfaces, adding flexibility to your audi
Summary: Vention BALBH. Connector 1: 3.5mm, Connector 1 gender: Male, Connector 2: 3.5mm TRRS, Connector 2 gender: Male, Cable material: Copper, Connector contacts plating: Gold, AWG
