Continuous steam up to 32g/min

The steam engine produces 32g/min of powerful continuous steam to easily de-wrinkle your garments.

Multiple steam settings for better results

Set your preferred steam setting between low and high for ideal results on different fabrics.

Compact design for easy storage

Thanks to the compact design of the base and the collapsible pole, the steamer can be easily stored after use

45 seconds heat up time, to be ready in no time

Whenever you need it, the steamer is ready in 45 seconds to help you with last minute touch-ups.

Safe on all ironable fabrics

The steamer is safe to use on all ironable fabrics and garments. The steam plate can be safely pressed against any clothing with no risk of burning; a great solution for delicate fabrics like silk.

Kills 99.9% of bacteria and dust mites to refresh garments

Prolonged hot steam kills 99.9% of bacteria and dust mites* and removes odors to keep garments fresh.

Adjustable single pole for various height settings

The single pole can be adjusted to the desired height to hang your garments and steam them comfortably.

Heat glove for extra protection
