Easily connect your mouse to three devices at once: two devices via Bluetooth and one device with the USB-A receiver. The USB-A dongle conveniently stores inside the mouse when not in use. Use the dedicated button on the bottom-side of the mouse to select the active device.

Silent click

The silent click feature in the wireless mouse significantly produces minimal sound. Unlike standard mice that often generate audible clicking sounds, this mouse is designed for quiet operation. Making it ideal for environments where noise reduction is essential, such as offices, libraries, or shared workspaces.

Fast scroll wheel and thumb scroll wheel

The AC5147 enhances productivity by the two scroll wheels. It features a fast metal scroll wheel for smooth and effortless scrolling, and a convenient thumb scroll wheel for easy horizontal scrolling.

Comfortable grip, accessible side buttons and Quick Desktop View button

The ACT AC5147 Wireless Multi-Connect Mouse is designed for comfort, featuring a good grip and convenient side buttons for easy navigation through pages.

Additionally, the mouse has a Quick Desktop view button that lets you instantly access your desktop.

Adjustable DPI for precise control

Select your preferred DPI accuracy and precision. Choose between 800/1200/1600/2400/3200/4800 DPI. This flexibility ensures you have the right level of precision for any task.

Rechargeable battery: use while charging

The mouse is equipped with a rechargeable battery. To ensure uninterrupted productivity, you can continue using the mouse while charging via the included cable.

The product information provided is for reference purposes only. Technical specifications, photos, descriptions and prices may change without prior notice. The mouse includes a battery status indicator and an intelligent power-saving mode to extend battery life. Additionally, an on/off switch allows you to conserve energy when the mouse is not in use.

Made from recycled materials

At ACT, we care about the environment. That’s why we use recycled materials in our products. The ABS plastic of this mouse is made from 85% recycled materials.

European brand, 5-year warranty

ACT is a European company with over 40 years of experience in providing reliable and innovative connectivity solutions. We provide a limited 5-year warranty, subject to certain conditions such as normal wear and tear, to ensure customer satisfaction.
