

ACT USB-C/USB-A 3.0 card reader

Model: AC6375

Manufacturer: ACT

EAN: 8716065491036

Product Code: 1738826

R1,312

Transfer your files and pictures fast from memory cards with the plug and play AC6375 USB 3.2 Gen1 Card Reader. Take the card reader easily along thanks to its ultra-compact design. Reach transfer speeds up to 5Gbit/s with SuperSpeed USB 3.2 Gen1 (USB 3.0). The AC6375 can be used on laptops and computers with a USB-C or USB-A port.

Easy to take along

Due to its small size, the ACT AC6375 USB 3.2 Gen1 (USB 3.0) card reader is easy to take along. The AC6375 has built-in USB connectors: Type-C and Type-A. So you don't need to use any cables.

Support for the most common used memory cards

The most common used memory cards are supported by the ACT USB 3.2 Gen1 (USB 3.0) Card Reader: SD, SDHC and the latest generation of SDXC cards. The card reader supports also Micro SD
