

ACT 4K HDMI Switch 5 in, 1 out

Model: AC7841

Manufacturer: ACT

EAN: 8716065561036

Product Code: 1738827

R1,655

The AC7841 4K HDMI Switch 5x1 allows you to display 5 HDMI sources on one TV/screen. Switching between sources is easy with the included remote control. The AC7841 automatically switches to the first available source via auto input sensing. The maximum supported resolution is 4096x2160 @ 60Hz.

Display five HDMI sources on one TV

Use the AC7841 4K 5x1 HDMI Switch to switch between multiple video sources on a single TV. For example, a laptop, game console or TV streamer. The AC7841 supports Auto Input Sensing which allows the switch to detect available sources. Use the button on top of the switch or the included remote control to select the preferred HDMI source to display on the screen. Status LEDs indicate when the input port is in use.

Connect your devices
