

ACT Monitor arm 35", gas spring, 1 monitor, Essentials

Model: AC8313

Manufacturer: ACT

EAN: 8716065590968

Product Code: 1738842

R1,671

The full metal AC8313 monitor arm holds a single 35” (curved) monitor up to 9kg. Set the best height and viewing distance with the gas spring and 3 pivot points. Adjust the monitor with the flexible screen adjustments: tilt, rotate and swivel. Both a clamp and grommet mount are included for desk mounting.

Solid metal single monitor arm

The AC8313 is a solid metal monitor arm suitable for a single (curved) monitor up to 35” and 9kg* with VESA 75x75 and 100x100. Adjust the height of the monitor easily with the gas spring. Tilt, swivel and rotate the screen to create the ideal ergonomic workspace and reduce the risk of neck, back and shoulder strain.

Ideal for flexible workspaces

If you work in an office with flexible workspaces, you can use the AC8313 monitor arm with gas spring. Easily adjust the height and depth without tools. All mounting gear for both clamp and grommet mounting is included. Besides, the AC8313 includes a cable management system.

ACT Essentials

The ACT Essentials series offer no-nonsense computer accessories for everyday use: functional, reliable and affordable.

*Please note: The monitor size is an indication and depends on the maximum weight capacity and VESA compatibility. The maximum size of 35 inches applies to horizontal use. For vertical use, the maximum size may be smaller.
