The Neomounts AV35-727WH1 TV mount, engineered for the Sonos Arc & Arc Ultra soundbar, seamlessly integrates your audio directly with your display for a clean, unified aesthetic. Because the soundbar is attached directly to your television, it moves synchronously with your screen when you use a full-motion or swivel TV mount, ensuring your audio always follows your viewing angle.

Designed with ease of use in mind, the AV35-727WH1 offers easy installation. Available in versatile black and white finishes to match your hardware and interior preferences, this mounting solution lets your Sonos soundbar perform at its highest level.
