Unlock responsive computing for content production with up to Intel® Core™ Ultra 9 processors for demanding workloads and multitasking.

1800 AI TOPS Desktop

Powerful NVIDIA® GeForce RTX™ 5080 graphics deliver 1,800 AI TOPS for smooth AI tasks, modeling, and content creation on a PC for rendering and editing.

1800 AI TOPS Desktop

Expand as workloads grow with up to 64GB of dual-channel DDR5 memory and up to 2TB M.2 2280 PCIe Gen 4 SSD storage for large media files and faster project load times.

Fast and Reliable Connectivity

Stay connected with Wi-Fi 7, Bluetooth® 5.4, and an RJ45 connector for stable, high-speed networking across devices and platforms.

Smart Device Management

Manage, monitor, and maintain your systems effortlessly with Acer Sense, a single intuitive app that streamlines updates, diagnostics, and performance tracking - even with little to no IT support.

Certified for Efficiency

Designed responsibly with Energy Star and EPEAT Bronze certifications for energy-efficient and sustainable business operation.
