Powered by a 13th Gen Intel® Core™ i5 processor and Intel® Arc™ low-profile graphics, this desktop handles everyday business applications, multitasking, and visual workloads with confidence.

Responsive Multitasking and Fast Storage

Support smooth workflows with up to 32GB DDR4 dual-channel memory and up to 1TB PCIe Gen4 SSD storage for quick boot times, faster file access, and efficient multitasking.

Modern Connectivity, Ready for Business

Stay connected with Wi-Fi 6E, Bluetooth® 5.3, and 802.11ax support, enabling stable wireless performance for offices, shared workspaces, and hybrid environments.

Simple, Physical Device Protection

A built-in Kensington lock slot helps protect the system against theft, making it suitable for shared offices, front-of-house environments, and small business deployments.

Simplified Manageability

Manage devices more easily with Acer Office Manager and Acer Control Center, providing visibility into system status, updates, and basic maintenance from a single interface.

Integrated High-Definition Sound

Connect your speakers or headphones to the audio jack and start enjoying your music and media in crisp and clear high-definition audio.
