Clear View for You, Privacy from the Sides

Whether you're commuting, collaborating, or working in public spaces, the eSTUFF Magnetic Privacy Filter keeps your screen content private. Its advanced “black-out” technology ensures sharp visibility from the front while blocking side views beyond a 60-degree angle – protecting sensitive data from prying eyes.

Screen Protection with Touch-Friendly Surface

In addition to privacy, the filter helps shield your screen from scratches and everyday wear. Its smooth surface supports natural touch interaction, allowing for effortless swiping, tapping, and typing.
