R7,236

Adjustment without Removing the Monitor

With the Z3 Pro mounting head, tighten or loosen the swivel per your need in just a few seconds. No need to take the monitor down.

Powered USB 3.0 Hub

This hub does not just add convenience, but allows running 4 power-hungry devices (total 2.9A).

Complete Flexibility

With the 3-way articulating arm, you can adjust your monitor according to your preference in an easy and convenient way. A flexible monitor
setup is ideal to show something to your colleagues or fold away the monitor.

Prolonged Comfort

Prolonged working hours may put you at health risks. The Z3 Pro brings your monitor into the ideal position, independent of your desk
height and allows an optimal posture.

A must have for every gamer

Enjoy a new dimension of gaming! No longer watch the game play from outside but fully immerse into it and experience your game from inside.
