

ATEN 2 x 4 USB 3.2 Gen1 Sharing Switch (Host Type: A+C)

Model: US5324-AT

Manufacturer: ATEN

EAN: 4711581521452

Product Code: 1739257

R1,593

Enables sharing of four USB peripherals at blazing-fast 5 Gbps between one USB Type-A host and one USB Type-C host at a press of the pushbutton or the remote port selector

The US5324 is a 2-Port USB 3.2 Gen 1 Sharing Switch designed to simplify data sharing between computers using both USB-A and USB-C peripherals, making it ideal for professional and personal workspaces. With an intuitive plug-and-play experience and a space-efficient design, the US5324 is your best companion for any dual-computer desktop setup—whether you're working, creating, or multitasking. Featuring InstaSync™, you can easily switch control of up to three USB-A peripherals and one USB-C peripheral between two computer systems, all while keeping your desktop tidy and clutter-free.
