Quiet. Cool. Refined.

Experience exceptional cooling performance and quiet operation. Powered by a robust three-phase motor and Alphacool Apex Stealth Metal Power fans, the ProArt LC 240 expertly integrates premium tech into an elegantly understated design. An illuminated meter on the pump cover also provides live system stats in the signature minimalist ProArt manner for real-time information at a glance. And its subtle and graceful aesthetics add a touch of refinement to your setup. Cool, quiet and classy—the perfect trifecta for any and all content creators.
