R8,683

Whether classic, lactose-free, vegan or stevia-containing: With the Exclusive ICE CREAM MAKER, there are no limits to your personal ice cream preferences! The team of fully automatic, self-cooling compressor and robust motor suitable for continuous operation ensures - with pre-cooled ingredients - 2 liters of cream ice cream in 30 minutes in the removable stainless steel ice cream container! The large LCD display, which also indicates the remaining running time, is integrated into the elegant stainless steel housing. There are 3 programs with time selection and the digital timer can be set from 5 to 60 minutes.
