Comprehensive Innovation in Architecture and Materials, Ultra-Reliable.

The New-generation All-metal Unibody Chassis

Achieving both extreme slimness and strong durability.

Best-in-Class Handling

Whether held in one hand or two, it feels comfortable.

The body features

Third-generation golden dual-R corner curves

Better grip comfort than the previous generation 30%

Performance

Ultra-Pro Performance

Snapdragon 8 Gen 5

Built on an all-new 3nm process

New PC-Class processor architecture

HONOR Ice Cooling System

Combined with dual-direction vapor chamber (VC) liquid circulation and ultra-high-thermal-conductivity hexagonal graphite. Enabling efficient thermal management even under heavy workloads.

AISuper-Resolution and Frame Generation Technology

Designed for the most demanding mobile games.

PC-Class Interaction.

Outstanding Efficiency.

A familiar desktop-style design, efficient file management, PC-Class multi-window workflows, and flexible split-screen layouts, delivering productivity that goes further.

Seamless Cross-Platform Connectivity
