The HP Color LaserJet Enterprise 4701dw printer offers performance and versatility for workgroups of up to 10 users. Equipped with a 2.7-inch preview screen, this laser printer enables easy navigation through various functions, ensuring users can access the features they need quickly. Its robust printing technology delivers vibrant color and crisp black-and-white documents, with print speeds reaching up to 60 pages per minute, making it a solution for busy office environments. Connectivity options are expansive, including USB 2.0, Gigabit Ethernet, and wireless solutions like Wi-Fi (ax) and Bluetooth LE. Mobile printing support is provided through AirPrint, Mopria Print Service, and wireless direct printing, allowing users to print documents from their smartphones and tablets with ease. Additionally, high-capacity toner cartridges are designed for significant duty cycles of up to 2300 pages, reducing the frequency of supplies replacement and ensuring seamless operation while meeting large volume demands.
