# D-Link G536 wireless router 2.5 Gigabit Ethernet Dual-band (2.4 GHz / 5 GHz) 5G White

Model: G536/E

Manufacturer: D-LINK

EAN: 790069481475

Product Code: 1740720

## R7,994

## Your First 5G Wi-Fi 7 Router

Fast Internet with instant setup. No drilling. No technicians. Just plug in and get online.

## Experience Next-Generation 5G Connectivity

5G delivers unparalleled broadband speeds, low latency, increased bandwidth, and broader connectivity than 4G networks, bringing new capabilities to indoor spaces.

## Dual 2.5G Ethernet, Built for Flexibility

Enjoy faster wired speeds and the freedom to configure your WAN/LAN port to fit your setup, no extra gear required.

## Better Signal, Even in Tough Spots

Add external antennas through dual SMA connectors to get stronger, more reliable 5G/4G performance indoors or in remote areas.

## Built for Every Device at Home

Connect laptops, phones, TVs, cameras, and more with support for up to 128 devices, all running smoothly simultaneously.

**Fast, Flexible, Always Connected**

5G Speed
High-speed 5G NR broadband for seamless streaming, gaming, and remote work

Advanced Wi-Fi 7
Next-gen Wi-Fi 7 delivers 3.6 Gbps for stable, high-performance multi-device connectivity

Dual 2.5G Ethernet
Dual 2.5G ports provide maximum bandwidth for ultra-fast and efficient wired connections

## Reliable Auto-Failover

Automatic switching between 5G and Ethernet WAN ensures your Internet connection never stops

Enhanced Cellular Connectivity
Dual SMA connectors support external antennas to boost 5G/4G signal reception

Extra Wired Network
Versatile WAN/LAN port adds flexibility for home or office setups
