The Targus® Click-In™ Case for iPad®(10th gen.) 10.9-inch provides strong, military-grade drop protection (up to 4 feet/1.2 metres)* in an ultra-slim design. Engineered for durability without adding weight, this case features a flexible tray with wrap-around bezel and reinforced corners, structured front and back covers, and a soft lining inside that safeguards your device screen from scratches.

The front cover flips back into a hands-free stand, making it easy to adjust your device into infinite viewing angles or a comfortable typing position. Precision cut-outs give you full access to your iPad’s buttons, ports, and camera without taking off the case. Enjoy added efficiency with an integrated loop for your Apple Pencil® or stylus (Pencil sold separately by Apple®). Altogether, the Click-In Case is a superior choice for protecting your iPad.

Minor drops and bumps are no problem for this sturdy, structured case. In fact, the Click-In™ passes rigorous MIL-STD 810G testing* to ensure it can protect your iPad® from drops up to 4 feet (or 1.2 metres) when secured with the elastic band.

Full Access, Full Functionality

A full-coverage, flexible tray with reinforced corners allows access to all ports, buttons, and controls. Precision cut-outs ensure the camera is accessible for photos or videos without removing your iPad from the case.

Swipe or Type with Ease

The textured, non-slip interior lets you position your iPad in an infinite range of reading or viewing angles for watching videos or interacting with your screen or flip the cover back for a comfortable typing angle.
