Hama WHS-400 Headset Wireless Head-band Office/Call center USB Type-C Black

Model: 00139942

Manufacturer: HAMA

EAN: 4047443559487

Product Code: 1741015

R1,539

Radio headset with microphone that can be used on both sides for flexible use in everyday business situations at the office, home office and after work: hands-free and uninterrupted telephony without limitations but with high sound quality

PC headset with 2.0 stereo

Powerful sound quality and depth: large 40 mm loudspeakers on both sides deliver clear, spatial sound in every meeting and beyond

The product information provided is for reference purposes only. Technical specifications, photos, descriptions and prices may change without prior notice. The manufacturer and seller are not responsible for possible data discrepancies or typographical errors. We recommend checking the current information before purchasing.

Call LED on the microphone

Visible call: sitting down and chatting is no longer a thing as your colleagues will be able to see from the red LED that you are on a call

Voice over IP

Ideal meeting partner: the headset with microphone supports voice over IP, e.g. Teams, Zooms, YouTube, Office Calls, video conferences and more

Wireless headset

For more freedom of movement: wireless headset for a tidy work space with hands-free calling and no cable spaghetti

Lightweight on-ear headphones

Ultra-lightweight business headset: the lightweight headphones and microphone weigh just 125 g – perfect for long meetings in the office, working from home and hybrid work

Superb wearing comfort

With memory foam: on-ear headphones with padded earpads and headband for a perfect fit that adapts to your head

Breathable material

Breathable mesh material wicks moisture away from the skin and prevents heat and sweat build-up

Button control directly on the headset

Buttons on the earpad: control important settings directly on the wireless headset at the touch of a button – on/off, volume up/down and mute
