MOBILE PHONE ARMOR 28 PRO/BLACK ULEFONE

Model: 28 PRO BLACK

Manufacturer: ULEFONE

EAN: 6975326668255

Product Code: 1741135

R10,566

Unmatched Firsts and Record-Breaking Performance

Wrist Watch Design

Honoring Timeless Adventure

A tribute to the indomitable spirit of the expedition with a watch-inspired design that transcends time. With camera modules centered around an embedded watch sub-screen, creating a sleek square dial appearance. The trio of cameras embodies vision, courage, and excellence, while the black and white spatial grid pattern of the strap reflects the classic outdoor gear, the enduring nature of exploration, and the pursuit of the unknown.

MediaTek Dimensity 7300

Ultra-Fast Performance

The MediaTek Dimensity 7300, crafted with a 4nm process, delivers blazing-fast performance and

remarkable efficiency. Its 2.5GHz octa-core CPU powers through tasks, providing smooth streaming and gaming experiences.

Up to 32GB + 512GB Storage

No Struggle for Space Clearance

The Armor 28 Pro delivers exceptional smoothness with its 16GB RAM, seamless multitasking, and lag-free performance. With 512GB ROM, supporting 2TB expansion, you'll have ample room for all your files, apps, photos, and videos, without worrying about running out of storage.

Graphene Cooling

Calm and Efficient

To maintain the robust performance of the Armor 28 Pro, an impressive 15,314 mm^2 cooling layer has been applied to the core surface. This can drop CPU and GPU temps by 4.6 degrees Celsius, ensuring more stable and enduring high-performance output.

MediaTek NPU 655

Enhanced AI Performance

The MediaTek NPU 655 doubles AI efficiency, boosting AI photography. It delivers sharper visuals, optimized power use, and enhanced capabilities for a superior experience.

Third-Party AI Application Support

Thanks to the new generation AI engine, you can enjoy faster experiences when using AI applications such as Google Gemini. You can converse with Gemini to improve efficiency.

50MP Main Camera

IMX989 1" Largest Sensor

Armor 28 Pro arrives with a 1-inch type Sony IMX989 sensor that revolutionize the potential of your photography. With this super-sized sensor, your photos will boast the kind of detail that brings landscapes to life, nights to brilliance, and every snapshot to a level of vibrancy and sharpness that's unmatched.

50MP Ultra-wide Macro Camera

Ultra Vision, Widens Your World

The product information provided is for reference purposes only. Technical specifications, photos, descriptions and prices may change without prior notice. The manufacturer and seller are not responsible for possible data discrepancies or typographical errors. We recommend checking the current information before purchasing.
itworkup.co.za | sales@itworkup.co.za | +27 (11)541-9950

Designed to capture more of the world in a single frame, the 50MP macro-enabled ultra-wide lens, powered by the Samsung JN1 sensor, boasts a 117° field of view. It effortlessly shoots vast landscapes or crowded scenes with ease.

64MP Night Vision Camera

NightElf 3.0, Farther, Still Clear

Unveil the power of the 64MP Night Vision Camera, where the OMNIVISION OV64B sensor joins forces with Ulefone's cutting-edge NightElf Ultra 3.0 algorithm. Assisted by the upgrade to 4 infrared LEDs, your nights become illuminated with much more clarity and intricate detail, doubling the brightness and image quality when shooting farther compared to the previous 2 LEDs.

50MP Ultra Front Camera

Social Share, Shares Shine

Say hello to 50MP selfies that turn every vlog and chat into a dazzling visual experience. Now, your charming moments and adventures are shared in unparalleled detail, making every memory a feast for the eyes.

Snapshot Control

Physical Key. Instant Shot.

No need to unlock the screen; a long press will take you directly into the camera mode, and a gentle press will capture the moment instantly. Whether it's an exciting sports moment or a playful pet scene, you can easily record it all.

6.67" AMOLED Main Display Indulge at First Sight

Expansive 6.67" flexible AMOLED display technology is so engaging that it takes your breath away. Seamless 120Hz responsiveness brings you to the peak of the gaming. In ultra-bright mode, it can reach up to 900 nits, and peak at 2200 nits, ensuring clear readability even under strong direct sunlight.

1.04" Rear Sub-Display Customize Your Lavish Watch

With its premium flexible AMOLED display, the watch screen provides a touch of modernity. It offers touch controls, an always-on view for notifications, and a gateway to music and quick selfies. You can change the paper to customize your watch face to suit your style.

Dual Screen, Dual Excellence

Both the front and back screens have an always-on display for easy time and notification checks.

Intuitive Control

A shortcut to access music, photography, notifications, messages, battery status, and more.

IP68/IP69K, MIL-STD-810H Defender

With MIL-STD-810H and IP68/IP69K ratings against shocks, drops, dust, and water, Armor 28 Pro still keeps a reliable connection even in the most hostile environments. It is a best companion for camping, hiking, and working on-site.

10600mAh Mega Battery Demanding Use for 2 Days

Charge once, explore for days. The Ulefone Armor 28 Pro's monstrous 10600mAh battery and 7.74V high-voltage output ensure you have the power to conquer your wildest adventures. Engineered for safety and efficiency, providing a long charge life that stands up to the rigors of your daily routine.

120W Flash Charger

Fastest Wired Charging

Power up Armor 28 Pro at a breakneck speed. Without battery anxiety, your device is always ready for action. Designed with the PD (PPS) protocol, offering versatility for a wide range of devices, even can fast charge the iPhone.

uSmart Expansion Connector More Stable and Efficient Work

Exclusive engineered for expansion connectivity of the device, this uSmart Connector has wide compatibility for uSmart E03, E02, E01 endoscopes and uSmart C01 microscope, providing stable connectivity and efficient work.

uSmart 2.0

The upgraded uSmart 2.0 technology allows the connector to work without interference with the charging function of the Type-C port.

Dual 5G Connectivity

Soak yourself in the future of connectivity with lightning-fast 5G speeds and expansive coverage.

Lightning-fast WiFi 6E

With speeds up to 9.6 Gbps, you'll enjoy binge-watching your favorite shows in 4K or 8K, join high-stakes online gaming sessions without lag, and work remotely with seamless large file downloads. Experience the ultimate in fast, reliable connectivity.

Latest Android 15 OS

Advancing Your Smart Life

In Android 15, you are going to experience enhanced privacy with Private Space, share your screen selectively, and multitask efficiently with app pairs. Further more, the new Home Controls screensaver turns your docked device into a smart home hub, enabling convenient control over your connected devices.

Your Exclusive Service Center

To elevate the caliber of our service, we have built a Service Center app in our device. You are easy access to supports such as FAQs, troubleshooting guides, and user manuals, and even leave us your questions and problems. This app can deliver product updates, and you can click into the mall to order products.

Unyielding Quality

Backed by rigorous durability, performance testing in diverse conditions, and stringent quality control measures at the Ulefone lab, Armor 28 Pro is built to last, ready to face the elements head-on.
