TABLET RUGKING PAD PRO 10 /8/128GB YELLOW ULEFONE

Model: RUGKING PAD PRO YELLOW 8/128

Manufacturer: ULEFONE

Product Code: 1741196

R4,918

IP69K· IP68 · MIL-STD-810H

Confidently Use, Unstoppable

Conquer the extreme with the RugKing Pad Pro. Certified IP68 and IP69K, it is totally protected against dust, water submersion, and even high-pressure, high-temperature wash-downs. Furthermore, its MIL-STD-810H compliance ensures it reliably withstands the repeated shocks, vibrations, and extreme temperatures of the toughest field operations.

Ruggedness Meets Style

Strength and Taste

RugKing Pad Pro is safe and modern, standing out with vibrant yellow, gray colors. Its sharp lines, combined with a robust protective skeleton and a dynamic ribbed back panel texture, elevate tough protective aesthetics to a new level.

Mini Body, Bold Heart

Grab and Go
Big productivity in a palm-sized package. Resting comfortably in one palm, the 8.68" pad is barely larger than a standard postcard. It's easy to slip into your jacket pocket. Work, stream, and create without the bulky baggage.

Snap in Portable Strap

Pack Work, Entertainment, Anywhere
Secure feel, instant mobility. Our mini pad features two rock-solid metal connection loops for a strap. These metal attachments offer a reliable, secure fit, eliminating the worry of accidental drops. The quick-release design lets you push the strap in and out instantly. Stop carrying. Start wearing.

Built-in eSIM Travel Smarter, Connect Faster

No more fumbling with SIM cards and expensive roaming plans. Integrated eSIM frees you from the travel connection hassle. Instantly download local data plans anywhere in the world, connect to reliable networks without a physical card, and stay productive the moment you land.

Super Torch Ultra Bright

Our mini pad is designed for versatility, featuring a super bright torch seamlessly integrated into its back. Ditch the bulk with a physical torch. Instantly illuminate your surroundings, turning the pad into a powerful beacon in emergencies.

8.68" 90Hz Vivid Display Immersive Entertainment

Grab it and go. At 8.68 inches, the screen is perfectly sized for secure, comfortable one-handed

The product information provided is for reference purposes only. Technical specifications, photos, descriptions and prices may change without prior notice. holding in any environment. Browse and stream fluidly with the 90Hz refresh rate, and defy the sun for easy reading with 860 nits of peak brightness.

Corning Gorilla Glass 3 Screen

Built for resilience. Corning Gorilla Glass 3 provides enhanced resistance to scratches and drops. This makes the RugKing Pad Pro reliably safe for demanding active use and rugged field environments.

7100mAh Massive Battery

Mini yet colossal in power. Equipped with a massive 7100mAh battery, RugKing Pad Pro delivers 13 days endurance on a single charge. Work a full, intensive day outdoors without ever needing an outlet.

Octa-core Processor

Uninterrupted Flow
Driven by Unisoc T7250 Octa-core Processor, RugKing Pad Pro handles complex apps and demanding tasks with full, responsive power. Experience smooth, responsive power for everything you do.

8GB RAM, 128GB ROM

Smooth Operation
RugKing Pad Pro with 8GB of RAM maintains peak responsiveness. 128GB of storage is ready for your files and media, easily expanded up to 2TB for larger capacity.

8MP Front Camera

Clear Video Calls
Stay connected with the 8MP front shooter for clean, stable video streams essential for remote diagnostics and critical team calls.

16MP Rear Camera

The product information provided is for reference purposes only. Technical specifications, photos, descriptions and prices may change without prior notice. The manufacturer and seller are not responsible for possible data discrepancies or typographical errors. We recommend checking the current information before purchasing.
itworkup.co.za | sales@itworkup.co.za | +27 (11)541-9950

The 16MP Rear Camera captures vivid photos and videos. From quick shots on the trail to scanning important documents, and works with the ultra-bright Super Torch, it delivers stunningly clear images, even in challenging light.

4G LTE Always Connected

Never be out of touch. With 4G LTE, RugKing Pad Pro provides instant, dedicated internet access for ultimate freedom. Connect, download, and sync your data securely and rapidly, ensuring continuous operation on every job site.

Latest Android 16 OS

Safer, Faster, More Dynamic
The all-new Android 16 transforms the RugKing Pad Pro with a dynamic, fluid user interface and a suite of enhanced security and usability features. Experience desktop-style windowing for seamless multitasking, plus smarter notification management featuring real-time Live Updates.

Pogo Pin Dock Charging

Rest in the Cradle and It Charges
Eliminate the hassle of cables. The charging dock instantly refuels the RugKing Pad Pro via Pogo Pin contacts, serving as both a rapid charger and a stable viewing stand. Your RugKing Pad Pro is always powered and ready for duty.

Hand Strap with Kickstand

Secure the Pad in Your Hand
Lock your pad to your hand. The exclusive, adjustable hand strap ensures an unshakeable grip, eliminating drops and fatigue during all-day use. Need a desk? Flip out the rotatable kickstand for instant, customizable, hands-free viewing. Total security and flexible productivity, deployed in a second.

uSmart Expansion Connector

More Stable Work with Peripherals

Integrated with an exclusive, secure expansion connector, RugKing Pad Pro has a rich uSmart accessory ecosystem, including the E02/E01 endoscope and C01 microscope. Peripherals connected via uSmart are inherently more stable, maximizing efficiency during critical inspection tasks.

Service Center 2.0

Faster Support, Smarter Assistance

To elevate your experience, our Service Center app has been upgraded to Version 2.0. Enjoy lightning-fast responses, instant access to user manuals, FAQs, and explore the Ulefone brand, products, and accessory ecosystem. The all-new Customer Service APP is designed to make your life easier and more efficient.
