R1,998

IP68 & IP69K Proof, MIL-STD-810H Certified

The Armor Mini 4 boasts a compact and robust design, making it ideal for on-the-go use. Its pocket-friendly size is complemented by a rugged construction, proven to withstand drops, water, and dust. Built for durability, the Armor Mini 4 is designed to last.

4G Connectivity

Thanks to its 4G LTE capabilities, the Armor Mini 4 delivers crisp and clear communication, ensuring reliable calls every time.

2100mAh Large Battery

The 2100 mAh large battery capacity provides extended use, eliminating the need for frequent recharging. This makes it perfect for worry-free use on the go.

Dual SIM + MicroSD Card Slots

Dual SIM card slots is especially beneficial for international travel. Keep your primary number active while simultaneously using a local SIM card for calls and texts, saving on roaming charges. Plus, a dedicated microSD card slot expands storage up to 64GB, ensuring your important data is always accessible on a single device.

User-friendly Experience

The Armor Mini 4's 2.8-inch display and large keypad offer a simple and intuitive user experience. Its straightforward system makes the phone exceptionally easy to use, and the Speed Dial feature allows you to save up to nine numbers for quick and convenient calling. Plus, with louder rings and calls, you'll never miss an important connection, even in noisy environments.

3.5mm Headphone Jack

Enjoy your favorite tunes, whether you're working or relaxing. Simply plug in your earphones to instantly access your multimedia files.

FM Radio

Take your favorite radio stations with you wherever life takes you, thanks to the easily portable Armor Mini 4.
