

ICY BOX M.2 NVMe SSD enclosure with USB 3.2 Gen 2 Type-C and RGB light

Model: IB-1805ML-CU31

Manufacturer: ICY BOX

EAN: 4250078175230

Product Code: 1741301

R1,041

RGB that speaks your language

The integrated RGB lighting gives a clear visual cue for power and activity, adding a touch of personality to your workspace.

Fast transfers, flexible cable

Equipped with USB 3.2 Gen 2 Type-C, it delivers transfer speeds of up to 10 Gbps. The included 60 cm USB Type-C to Type-C/A combo cable offers flexible connectivity for different devices.

Ready for modern NVMe SSDs

Designed for M.2 NVMe PCIe SSDs with M-key or B+M key sockets, it supports capacities up to 2 TB, ideal for fast data access and large file storage.

Heat dissipation function

A thermal pad helps manage heat efficiently during heavy workloads, maintaining stable performance and SSD longevity.

USB Type-C to Type-C/A cable

The included cable supports both modern USB Type-C® hosts and legacy USB Type-A ports, giving you broad compatibility right out of the box.
