

dbramante1928 IT - EU W. Charger - 140W + 2m C-C TPE cable - BLK

Model: CIBUCCBL7281

Manufacturer: DBRAMANTE1928

EAN: 5711428072818

Product Code: 1741625

R2,477

This dbramante1928 140W wall charger and cable bundle is designed for high-power devices and multi-device charging. The wall charger is made from 100% GRS-certified recycled plastic and is fully recyclable. The included 2m USB-C to USB-C cable is made from 100% GRS-certified recycled and recyclable plastic.

Featuring 3x USB-C and 1x USB-A ports (140W total output), this GaN-powered charger allows you to power up to four devices at once — including high-demand laptops, tablets, smartphones, and accessories. Smart charging technology automatically adjusts power output across connected devices for safe and efficient charging.

The included 2-meter USB-C cable supports up to 100W Power Delivery and data transfer speeds up to 480 Mbps. It is case-friendly, tested to withstand more than 10,000 bends, and includes a cable
