R5,234

Your key to instant AI access

The Galaxy AI Key gives you easy access to AI-powered assistant, Bixby. Simply tap the dedicated key and let your AI assistant handle your query — it's that simple to get things done.

PC-like experience with a single tap

Get things done easily with the Book Cover Keyboard. The full-size keycaps, function keys and trackpad, combined with DeX mode, deliver a PC-like experience with a single tap.

Magnetically attachable for easy replacement

With its magnetic design, you can easily attach and detach the back cover to personalize your device. Replace it according to your preference to fit your everyday needs.

Effortless comes in 150°

Take it all the way back to 150° for a new level of freedom with the Book Cover Keyboard. Adjust the angle on the back easily to find your perfect position to send emails, blog, study — you name it.

Enhance your productivity with wireless sharing

With Wireless Keyboard Sharing, you can easily connect to your other Galaxy devices and smoothly type or navigate on them. Switch between devices with ease and take control of your phone as you would on your tablet.
