Google TV brings together movies, shows, and more from all of your subscriptions. Need inspiration? Get curated recommendations, use Google's powerful search to find shows across 10,000+ apps, or browse hundreds of free channels. And with personalized profiles, everyone's experience is customized for them.

Stream from your phone

Easily cast movies, shows, photos, and more from your phone or tablet, right to your smart monitor with Google Cast™.

One setup across devices with Multi Control

Multiview and Multi Control functions let you manage two devices from a single screen with one set of peripherals, enhancing multitasking efficiency.

Make your own home office

Easily access productivity tools or connect to your PC remotely using supported apps on the monitor.

Broadcast live across platforms

Use the built-in app, Multi-Platform Streamer Prime, to easily share live content on multiple platforms for a seamless streaming experience.

Enhanced gaming experience with 4K UHD and Dolby Audio

Immerse yourself in gaming with 4K UHD visuals and Dolby Audio technology for a captivating experience. Dolby Audio offers modes like Standard, Cinema, and Music, tailored to different scenarios and preferences.

Design with Green

Thank you for saving the planet with us

MSI is committed to mitigating the environmental impacts of its businessactivities through green production and supply chain management.
