Spade Dock 4038 brings the essential connections together in one compact DockingStation. With HDMI®, USB, Ethernet, and charging support, it expands your notebook into a capable workstation in seconds. Every port has a purpose, don't pay for unnecessary features.

4K 4 you

The HDMI® port supports resolutions up to 4K at 60 Hz. Connect an external monitor and expand your workspace with sharp and smooth visuals: ideal for presentations, creative work, or simply having more room for multitasking. One cable instantly transforms your notebook into a larger workstation.
