Perlegear PGTVMC06 TV Mount for 23–60" TVs

The Perlegear PGTVMC06 mobile TV mount is the perfect solution for those who value flexibility and mobility. Thanks to its sturdy construction and adjustable features, this mount allows you to easily move your TV to any location in your home, office, or on the patio, without having to drill holes in the walls.

Ease of Use and Mobility

Thanks to its built-in wheels, the PGTVMC06 mount allows for convenient movement of the TV between rooms. It is an excellent solution when you want to enjoy your favorite shows in different parts of the house without the need for a permanent installation.

Height and angle adjustment

The mount offers a wide range of height adjustment, allowing you to customize the TV’s position to your individual preferences. Additionally, the ability to tilt the screen from -10° to 5° lets you achieve the perfect viewing angle, minimizing glare and improving viewing comfort.

Wide compatibility

The mount is compatible with TVs ranging from 23 to 60 inches in size and weighing up to 45 kg. It meets VESA standards ranging from 100x100 mm to 400x400 mm, making it suitable for most flat-screen and curved TV models available on the market.

Space-saving and easy installation

Thanks to the low profile of the rear legs, the mount can be placed close to the wall, saving space. Installation is simple and requires no specialized tools, and all necessary mounting hardware is included in the set.
