# DIGITUS DN-W19 04U/450 Wallmount cabinet 4U 600x450mm grey RAL 7035

Model: DN-W19 04U/450

Manufacturer: ASSMANN ELECTRONIC

EAN: 5907772590904

Product Code: 1743326

## R2,340

DIGITUS Professional DN-W19 04U/450 wall-mount cabinet provides secure, space-efficient equipment storage for network closets, office walls, and equipment mounts. The cabinet is designed to keep 19" rack equipment organized while offering front visibility and access through a tempered glass door and a keyed lock for controlled access.

Constructed with a metal housing and removable side panels, the cabinet combines durable protection with convenient serviceability, and supports up to 60 kg of mounted equipment. Its 4U height and 19" rack size make it suitable for compact installations that require professional-grade mounting and dependable everyday use.

The product information provided is for reference purposes only. Technical specifications, photos, descriptions and prices may change without prior notice. The manufacturer and seller are not responsible for possible data discrepancies or typographical errors. We recommend checking the current information before purchasing.
