

CLUB3D Adjustable Aluminium Laptop Stand with USB-C® Hub

Model: CSV-2554

Manufacturer: CLUB3D

EAN: 8719214473754

Product Code: 1744020

R2,140

Description:

• Adjustable height and angle - Effortlessly raise your laptop to your ideal eye level, reducing neck strain during long work sessions.

• Full 360° rotation - The base rotates in a complete circle, allowing you to turn your screen instantly to reposition your laptop without lifting the stand.

• Power your setup - Stay powered without the cable clutter. Connect your existing USB-C® power adapter to deliver a power delivery of up to 100W.

• Transform your laptop into a workstation – The integrated hub features 6 ports, making it a full-scale workstation with just the one
