R18,276

Unleash Your Cinematic Arena

Streamline your gaming setup with the ROG Gjallar gaming soundbar and wireless subwoofer for immersive, cinematic Dolby Atmos® audio. Inspired by the legendary Gjallarhorn from Norse mythology, the ROG Gjallar (pronounced ‘ga-lar’) delivers powerful and commanding sound for an expansive soundstage coverage.

The ROG Gjallar also features built-in Acoustic Echo Cancellation (AEC) microphones for clear communication, an all-in-one control hub, and multi-platform connectivity for ultimate. Engineered for ultimate control and convenience, it allows you to switch between gaming and entertainment without ever swapping devices.

The product information provided is for reference purposes only. Technical specifications, photos, descriptions and prices may change without prior notice. The manufacturer and seller are not responsible for possible data discrepancies or typographical errors. We recommend checking the current information before purchasing.
